Education

Shahjalal University of Science and Technology

B.Sc. in Computer Science & Engineering

2019 – 2024

CGPA: 3.71/4.00

Research & Publications

A Deep Learning Approach to Automate Classification of Arsenic-Affected Skin using EfficientNet-B1

- Achieved 94.69% accuracy in arsenic-affected skin classification using EfficientNet-B1, outperforming VGG-19, ResNet-50, and MobileNet-v2.
- Presented at ICCIT 2024, Cox's Bazar, Bangladesh.
- [Paper Link](#)

Project PRIMUS at EHRSQL 2024: Text-to-SQL Generation using Large Language Model for EHR Analysis

- Used transformer-based SQLCoders model with schema-aware prompts to generate SQL queries from natural language in EHR domain.
- Published in 6th Clinical NLP Workshop, Mexico City, Mexico.
- [Paper Link](#)

CyQured: Design, Development, and Empirical Evaluation of a Tabletop Game for Personal Cybersecurity Education

- Developed a cybersecurity board game integrating personal device resources, hidden defense cards, and strategic counterattacks.

Projects

E-Shop

- MERN stack-based e-commerce platform with APIs for payment, product management, and inventory.
- [GitHub](#)

ServiceHub

- Platform built using EJS, JavaScript, MySQL for connecting service providers and consumers.
- [GitHub](#)

Ride-with-the-wave

- Endless runner game in Java using JavaFX for GUI and controls.
- [GitHub](#)

Home Automation System

- Arduino + ESP32 based smart automation and security for homes.
- [Demo](#)

Technical Skills

Languages: Python, Java, C++, JavaScript, Dart, L^AT_EX

Frontend: React, HTML, CSS, Bootstrap

Backend: Node.js, Express.js

Cloud & DB: AWS, MongoDB, MySQL

Tools: Docker, GitHub, VS Code, Postman, Socket.IO

Problem Solving Skills

Solved 700+ problems across platforms like Codeforces, LeetCode, LightOJ, and UVa.

Personal Information

Date of Birth: 25-03-2001

Father's Name: Bipul Das, **Contact:** +8801711363253

Mother's Name: Reba Das, **Contact:** +8801712899977

Home District: Sylhet

Present Address: Sobuj Bagicha, Bhattapara, Block-C/9, Akhalia-3100, Sylhet

Permanent Address: Sobuj Bagicha, Bhattapara, Block-C/9, Akhalia-3100, Sylhet

Emergency Contact & References

Closest Relative:
